- Sundowners are an extremely popular activity with most tourists/guests visiting the various National Parks/Reserves throughout Africa. It basically entails having a few drinks or bites to eat while watching the sun set over the African savannah. Usually, guests are permitted to exit the vehicle but not wander too far from the eyes of the watchful guide. The activity usually costs around \$50-60 per person but varies depending on the property you will be staying at.

NOTE:

- Early morning game drives can be broken into 2 sections. One from 6:30-8:30 A.M., then come back to camp for a hot breakfast, relax for an hour or so and the second game drive from 10:30 A.M.- 12:30 P.M. The 2nd option will be to carry a packed breakfast box (tea, coffee, hot chocolate) with you in the vehicle. This will give you the opportunity to stay out longer and cover a greater distance to maximize game viewing. This can always be arranged at the camp.
- During your 2 night stay in Samburu, the Park Fees **have been included** in your final cost.
- During your 2 night stay in Lake Nakuru, the Park Fees **have been included** in your final cost.
